AESOP Instructions for Update 7/21/2014

To Create an Absence

1. Go to the AESOP website <u>https://admin.aesoponline.com/Admin/Home</u>. (It's a good idea to put the icon on your desktop.) Your login is the same as it was with the old version.

2. Click on "Absence" then choose Create Absence from the dropdown menu.

3. Choose the name of the employee who will need a sub. You can search by last name or by the first letter of the last name. If you can't find your employee's name on the list, call Juli Martin at x8219 and let her know that the employee needs to be added.

4. Then choose the green box "Fill out Details." $\$
