-------------	-----------	-----------	-----------

Category 1: School or District educational use and officially sponsored PTA activities. Municipalities and other tax-supported agencies, registered political parties, alumni reunions.

Category 2: Charitable or non-profit organizations located within Jordan School District boundaries. Those requesting facilities under this category must provide evidence of their non-profit status (example: 501c3 or letter of eligibility from the IRS).

Category 3: Commercial organizations, businesses and patrons located within Jordan School District boundaries.

Jordan School District reserves the right to deny any field rentals based on weather, field conditions, scheduled UHSAA sanctioned activities during the designated season or any other circumstance.

***If renting baseball, softball or soccer fields, the school may choose to add a \$45/hour charge for custodial or District supervision.**
