

Transportation Moratorium Field/Activity Trips Dates 2020-21

When scheduling Field/Activity Trips for the 2020-2021 school year, please make note of the following moratorium dates and times when Transportation will not be able to accommodate Field/Activity trips.

- Fridays due to late start and early out schedule.
- Fridays are available for required high school activities only.
- Between the hours of 6:00 a.m. – 9:00 a.m. & 2:00 p.m. – 4:00 p.m., buses must return to schools by 2:00 p.m. in order for drivers to complete their scheduled routes to take students home. Your cooperation is greatly appreciated.
- A limited number of buses are available on early out days. Please plan accordingly.

We encourage you to consider the following when planning your Field /Activity Trips:

- Mondays are days that are more readily available to accommodate requests.
- August, September, and January are months with much more flexibility.
- We anticipate the demand for Field/Activity Trips during the month of April may be greater than in years past due to an increase of spring sports and elementary school field trips.
